## Photo Scavenger Hunt

Universal Studios

- 1 This creature is rather grim, but the Order's hideout is where you will find him.
- 2 Step inside and dial magic, Diagon Alley is close and to miss it would be tragic.
- 3 Walk through walls that aren't really there, but capture it on video or you won't know where.
- 4 Hop on board Hagrid's toy, but are you Harry or just a decoy?
- 5 Here you can buy a Death Eater's mark, but good luck with your picture because it will be dark.

Islands of Adventure

- 6 Here you can buy letters that howl and then get them delivered by owl.
- 7 The conductor is happy to give you a smile, but the train here doesn't move a mile.
- 8 Frozen, regular or sometimes served hot, show the favorite one that you got.
- 9 Who is on top to win the house cup? Take a pic but you will miss your ride if you don't hurry up.
- 10 It only takes a wand and not a cloak to find the giant chocolate that croaks.
